### Recall and Laser Postcards

These eye-catching designs are convenient and versatile. Back of postcards are preprinted with your practice name, address and message, or blank. Laser cards with blank backs let you create a custom message with your laser printer!

Die-cut reminder peels off to stick to calendars.

### Classic Plus Recall Postcards

What's the plus? A handy peel-off reminder that lists name, date and time. Patients can stick them right on their calendar — so they're sure to remember their next appointment! Choose a standard message or have your custom message printed.
